Recordings should be labeled with the name of the school, and the music should start at the beginning. A squad representative shall be responsible for starting and stopping the recording during the routine; the volume shall be controlled by the venue technician. The squad representative should have a "back-up" recording in-hand in case of the failure of the original.
- A. Remember that "special effects" recorded on your performance CD must be recorded in stereo in order to be broadcast by the Coliseum equipment. Contact Kelly Foster if you have any questions about this requirement.
- B. As a precaution, it is strongly recommended that in addition to a cell phone, iPod or CD, a backup version be available in case of audio difficulties. Not all burned CDs work on the audio equipment.
- C. Although not specified in the rules, judges have recommended that music be used to support less than half of the total performance. Coaches are also reminded to make sure that the lyrics of the music used are appropriate for a public high school performance.

11. **REGISTRATION AND PASSES:**

13. **CHAMPIONSHIP SCHEDULE:** [Championship Schedule](#)

This schedule contains the performance order, team photo schedule, check-in time, practice schedule and performance time.

A. **Performance Order:**

- 1) **IMPORTANT:** Please reconfirm your performance order on the OSAA website prior to the contest. Any revisions in performance order due to drops, etc., received by noon on Friday, February 9, will be posted by 4pm Friday.
- 2) Your team may do last minute stretching and warm-up prior to your performance in your team room or in the concourse practice area before taking your spot in the "on-deck" area just down the stairs from the concourse practice area. Remember, however, that your team will be assessed a 10- point penalty if you practice stunts in your team room.
- 3) Please Note: There will be no changing of clothes in the team rooms. Team members must change in the male or female restrooms.

- B. **Team Photos:** The photographer will be located in the Georgia Pacific room again this year. Teams will be assigned an official picture time **prior** to their scheduled practice time. Please be sure to review the Team Picture Schedule for your scheduled time. Winning teams may also have pictures taken after the competition if they wish.

C. **Practice Schedule:**

- 1) Practice / Warm Up will take place on the Upper Concourse area approximately 30 minutes prior to your anticipated performance time. There will be ONE mat station (with five panels) for each classification, with nine minutes allotted per team. The time will end approximately 15 minutes prior to performance time. Tosses, stunts, and music will be allowed on these mats. There will not be assigned judges to critique your practices. Judges will be available to answer questions. You are not required to use your assigned practice time, but no other scheduled practice time will be allowed for your squad. In addition to the practice floor, there will be a strip of mats for tumbling available on the concourse. No tosses will be allowed. Please be courteous of other team's needs on this shared space.
- 2) There will be an open tumbling strip available, please be courteous and share the space.
- 3) Practice on the performance surface in the arena is not allowed.
- 4) There will be five panel cheer mats in the practice area, and nine panel mats on the arena floor.

14. **TEAM ENTRANCE ONTO THE PERFORMANCE FLOOR:** In an effort to expedite the teams entering and exiting the performance floor, here are a few guidelines we are asking teams to follow:

- A. After teams are checked at the "On Deck" area, and as soon as the previous team exits the performance mat, the next team will move forward to await their name to be called by the announcer.
- B. Teams who wish to do a unity cheer should do so at this time. As soon as the team name is announced, they should "spirit" quickly onto the performance mat and take their starting positions; this would be preferable to marching onto the mat slowly.

- C. When their routine is completed, the team may again exhibit their enthusiasm and spirit as they exit the performance floor.
 - D. A team's entrance and exit from the arena floor are not part of the scored performance.
 - E. **Coaches only (not alternates or JV team members) will be allowed on the performance floor during their team's performance.**
- 15. JUDGES PANEL:** Two panels of judges will be used with continuous performances alternating before the two panels. There will be no pauses between performances unless a judging panel has back-to-back performances. Squads will need to be ready to go immediately when introduced.
- 16. SAFETY JUDGING AND INSPECTION:**
- A. Safety judges will not be evaluating performances during practice times. They will be available to answer any questions that coaches may have.
 - B. Jewelry and nails will be inspected in the On-deck area and any found to be in violation of the rules will have to be modified prior to the performance, or a violation will be assessed. Coaches are reminded of the NFHS rule statement, "Loose, baggy clothes, nylon hose/tights are not appropriate for stunting squads."
 - C. If you have any questions about the legality of a particular stunt or about appropriate apparel, please contact the Head Technical Judge and OSAA State Rules Interpreter, Haley Ward: 503.887.9197 or cheerleading.sri@osaa.org.
- 17. PARTICIPANT SEATING:** Team members may sit and leave their belongings in the "corner" seating sections at the Coliseum (Sections 24, 25, 3 & 4). The center seating sections are reserved for ticketed spectators. The two rows directly behind the judges are closed to all participants and spectators. Coaches reserved seats behind the two-judge buffer rows are for coaches only.
- 18. SEATING FOR COACHES:** A section behind the two judge buffer rows has been reserved for COACHES ONLY. Only those persons listed as coaches in the Official Program may sit in the reserved area.
- 19. COLISEUM RULES:** The coliseum does not allow signs, banners, balloons or "outside" food anywhere in the facility.
- 20. STATE CHAMPIONSHIPS – MEDICAL CHAIN OF COMMAND** (*OSAA Handbook, Executive Board Policies*) (*Effective Fall 2012*): The OSAA provides an official medical team that consists of State of Oregon registered athletic trainers and/or licensed physicians at state championship events administered by OSAA staff whenever possible. If provided, this OSAA designated medical team shall have final authority on all injury evaluations, participation status and return-to-play decisions.
- 21. ATHLETIC TRAINER:** The OSAA will provide a certified trainer to respond in case of injuries at the contest. The trainer will be available to respond to emergencies; however, teams may wish to provide their own trainer if they anticipate the need for precautionary taping, etc.
- 22. SERVICE ANIMALS:** Trained guide dogs and service animals assisting guests are welcome at OSAA State Championships. All other animals are prohibited. All service animals must remain on a leash or in a harness, and be in full control of the handler, at all times.
